WATEREMOTION

A project conceived to leverage the excellent water resources the Balearic Islands can offer to sports, schools and companies through the organisation of events.

Our multidisciplinary team, with national and international sports and business experience, works towards bringing sports, particularly water polo, closer to society through our wonderful islands, its resources, its facilities and, of course, its climate.

Our greatest desire is to bring other athletes to practise our sport on our islands. To fulfil this, we need to have a magnificent facility in a privileged location where we can offer our guests everything that the Balearic Islands, especially Majorca, have to offer.

While practising water polo, they will also get to enjoy the climate, the warmth of our people and, of course, our beaches and natural resources. This makes Best Centre Sports, in Colonia Sant Jordi, the ideal sports facility.

WATEREMOTION TEAM

At wateremotion we have tried, and succeeded, to surround ourselves with the right people from the beginning. An event like this requires time, dedication and a desire to do things well, which can only be achieved by counting on top professionals and excellent people. For this reason, in addition to Itzi, Juanfran, Andrea, and David, we enjoy integrating volunteers into our projects who give their best so that everything goes perfectly.

Itziar Antón - Co-founder & General Manager

She has been a sports psychologist, trainer and water polo player for more than 15 years, and this project is her dream come true.

Her experience in managing teams and athletes is essential for the success of the organization. With her skills and expertise, she is the perfect Sports Manager for the team.

Her presence in any event guarantees unbeatable functioning as planned. She is truly essential!

Andrea Guardiola - Assistant Manager

Andrea is an athlete, trainer and CAFYD (Degree in Sciences of Physical Activity and Sport) student who has enjoyed all aspects of water polo and continues to do so. She combines her labour as a player on a national category team with training up-and-coming athletes.

Her presence is essential at wateremotion events. Her attitude, know-how, and way of understanding this type of events make attending one of our tournaments a wonderful experience for our clients and athletes.

WATEREMOTION TEAM

Joan Francesc Lladó - Sports Manager

Higher Technician in Promotion of Physical and Sports Activities.

He has tried his hand at water polo and never looked back. He is a player, coach, and sports coordinator, and sports in general, and water polo in particular, are his life.

In waterremotion, he develops his passion as a Sports Manager for all the events the team organizes. The perfect organization of the competition is his responsibility and his purpose.

The rest of the waterremotion team relies on Joan Francesc's work, knowing that the competition will go smoothly.

David Marjalizo - Co-founder & Business Manager

David is an entrepreneur by nature with a long business career, providing his expertise and experience to manage this project.

The organization of events is part of his life, just like sport in general and water polo in particular. His experience, meticulousness and attention to detail give the peace of mind of knowing that there is always someone looking out for us. He provides the reassurance that we all need.

FACILITIES

THE GYM AND THE DRYLAND AREA

We have a fully equipped on-site gym as well as an outdoor dryland area for strength, power, mobility and flexibility exercises.

Strength machines, weights, kettle bells, squat racks, strength balls, mats... You can find everything you need to complement your training in the water.

Our modern facilities at the BEST Centre attract people and teams from around the world. Specifically, we have hosted thousands of swimming, water polo, triathlon and synchronized swimming teams from over 50 countries around the world.

The combination of our facilities and the peacefulness of Colònia Sant Jordi make the training camp perfect.

Es Trenc and Es Estanys

Are the beaches on the west side of the town. Es Estanys is the area of beach closest to the town, and then Es Trenc stretches for 3000m of natural beauty. It is one of the few areas on the island where there are sand dunes. In 1984 Es Trenc was declared a "Special Interest Natural Area".

There are bars at either end of the beach and sunbeds and umbrellas are available, although in limited numbers. There is a beach cafe and facilities on Es Estanys.

Es Dolç and Es Carbó

Are the beaches on the east of the town. Es Dolç is the area of beach closer to the port with Es Carbó a little further round the headland. While Es Trenc is the most famous of the island's beaches, Es Carbó and Ses Roquetes are preferred by those in the know. A 20 minute walk from Es Dolç will bring you to 1300m of virgin, 'S' shaped beach. If you don't fancy the walk, there are boats to hire to take you to the beaches. There are no beach cafes here, just sand and solitude.

LOCATION

COLÒNIA SANT JORDI

The BEST Centre is located in the south-east corner of Mallorca, in one of the island's most beautiful towns: Colònia Sant Jordi. It boasts some of the best beaches in Europe. It is a great place for strolling, cycling, fishing and kayaking, as well as numerous other outdoor activities. We will include plenty of fun activities away from the pool to make this a really memorable holiday.

Colònia Sant Jordi is where the locals and those in the know take their holidays and weekends away. The small town of Colònia Sant Jordi, nestling in the south east corner of the island in the municipality of

BEACHES

The stunning beaches on this part of the island have made Colònia Sant Jordi the most famous destination in the Balearic Islands. Es Trenc, on the west side of the town is the most well known of all the beaches in Mallorca because of its miles of golden sand, crystal clear water and national parkland behind.

Ses Salinas, is renowned for its golden sand, crystal water and peaceful setting. Surrounded entirely by national park the town opens out onto some of the best beaches in the mediterranean. This is an amazing location to be!

Colònia Sant Jordi has everything you need to make your camp a success. The town is neither too large nor too small, and a short walk from the training centre you will find plenty of cafes, bars and restaurants, among them, according to the national press, the best paella not just on the island but in all of Spain!

The beach of Es Trenc, the coastal area around Colònia Sant Jordi and the island of Cabrera, renowned for its marine tourism, form what has been called the 'magical triangle' of the Balearics, because of its beauty and tranquility.
